

CyberHire

DIGITIZE YOUR NEW HIRE PROCESS

Streamline the hiring and onboarding
process for all your employees
& independent contractors

PAPERLESS & PAIN-FREE

Send forms like W-4, I-9, W-9, state specific documents, direct deposit information, and additional custom documents to your workers.

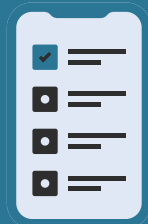

CUSTOM TO YOUR COMPANY

Add and send custom documents—like an employee handbook—that you want your new hires to review and sign off on digitally.

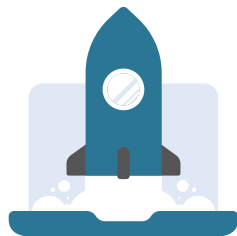

VISIBILITY & COMPLIANCE

Review the status of new employee paperwork and mark it as accepted after seeing uploaded I-9 verification documents.

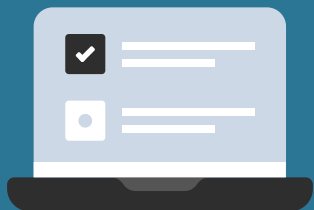

INDUSTRY-SPECIFIC BENEFITS

Make it simple for an employee or independent contractor to upload specific forms or licenses before they start working. Plus, when desired, use eSignatures which are built into the platform.

BETTER ORGANIZATION

Keep your new hire recordkeeping organized, as it should be, no matter who on your staff is managing the process.

AUTOMATE TO SAVE TIME

Thanks to the integration with CPO/Phoenix, you can save even more time when it comes to managing each worker and setting them up properly for payroll.
