Hire & Onboard Your Team Digitally

Allow employees and contract workers to review, e-Sign, and complete their onboarding and payroll documents digitally.

Built to Be Simple & To Save You Time

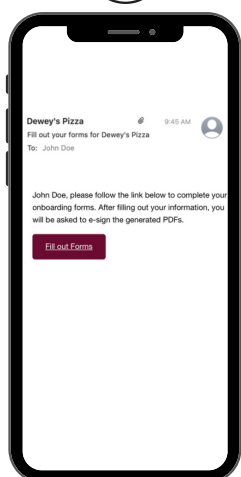

Allowing you to go paper-free, CyberHire digitizes:

- W-9 Form
- Direct deposit & other key payroll information
- I-9 Form & all verification
- W-4 Form
- State-specific forms for employees
- Employee Handbooks and any other documents you want to send!

CyberHire is a simple, guided process to make sure you gather all the government forms and other payroll documents you need to have for each and every new hire

As easy as 1, 2, 3...4!

1

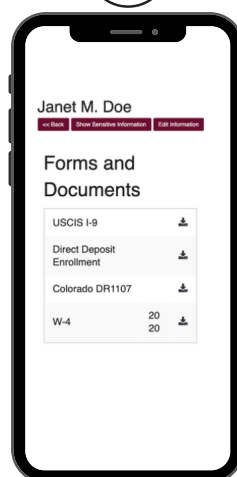

Send your independent contractor or employee their government forms and any other paperwork you need them to review and/or e-Sign.

2

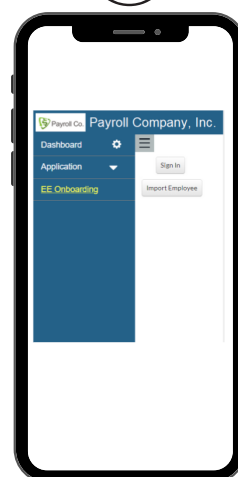

Workers are able to review, complete, sign and save all their onboarding documents, from any location and from any device.

3

Your company admin (such as HR managers or office managers) are notified the paperwork and documents are complete. Now you can review as needed.

4

Your new worker information uploads directly into CyberPay Online Phoenix, saving you even more time.
